Please note: Credit card payments made with Flywire will post to your student account within 2 - 3 business days. Wire payments require additional action steps on your part in order to validate transfer of funds. Please allow 3 - 4 business days for payments to be posted to your student account.

You can always print your account statement from Academica at [www.academica.wayne.edu](http://www.academica.wayne.edu).

If you want an official receipt of your payment, please call 313-577-3653, and be sure to have your WSU ID with you.
