Understanding the Wayne State University International Student Health Insurance Requirement

Why am I required to have health insurance?

Due to the high cost of health care in the United States, Wayne State University (WSU) and federal regulations require that all Exchange Visitors, International Students, and their dependents have insurance coverage for sickness and illness during their entire program period. Health insurance allows you to focus on academic success, not unexpected health care expenses.

What insurance plan can I purchase?

All international students and their dependents, residing in the United States, must enroll in the WSU International Student Accident and Sickness Plan administered by Blue Cross, Blue Shield of Michigan. Coverage may be purchased either annually or each semester. A registration hold will be placed on your account each semester until coverage is verified. **DO NOT** purchase alternative health insurance. It will not be accepted in place of the Wayne State University plan.

Effective for the 2024-2025 Academic Year, all F1 and J1 students will be covered under the WSU's blanket policy for repatriation, which is cost-free for the students and their dependents.

	Annual	Fall	Winter	Winter, Spring & Summer	Summer I	Summer II
	8/1/2024 7/31/2025	8/1/2024 12/31/2024	1/1/2025 5/2/2025	1/1/2025 7/31/2025	4/1/2025 7/31/2025	5/4/2025 7/31/2025
<i>Student</i>	\$2,121.40	\$898.50	\$729.62	\$1,247.90	\$723.80	\$543.28
<i>Student + One Dependent</i>	\$4,242.80	\$1,797.00	\$1,459.25	\$2,495.80	\$1,447.60	\$1,086.56
<i>Student + Two or More Dependents</i>	\$6,364.20	\$2,695.50	\$2,188.87	\$3,743.70	\$2,171.40	\$1,629.84

Though the health insurance plan may seem expensive, it is much more costly not to have health insurance coverage. In the U.S. one visit to an emergency room can cost over \$1,500. Typical hospital charges, not including surgery or tests, may cost \$2,500 or more **per day**.
