  - The internship must consist of "work-based learning," rather than "ordinary employment or unskilled labor." [22 C.F.R. § 62.23(i)(7)(i) ]
  - Not involve in any way a "staffing/employment agency." [22 C.F.R. § 62.23(i)(8)(iii) ]

- **Occupational Categories for J-1 Internship Program**
  - **Federal Register** 3913, January 24, 2006);
  - Construction and Building Trades; Education, Social Sciences, Library Science, Counseling and Social Services; Health Related Occupations; Hospitality and Tourism; Information Media and Communications; Management, Business, Commerce and Finance; Public Administration and Law; and the Sciences, Engineering, Architecture, Mathematics, and Industrial Occupations; and such other occupational categories that the Department may from time to time include in training and internship programs.

**J-1 INTERN: DEPARTMENT STEPS AND BASICS**

Effective July 2008, the Department of State has introduced a new category called the J Intern. The J student intern is a foreign national enrolled and pursuing a degree at an accredited post-secondary institution outside the United States and participating in an internship program in the United States that will fulfill the educational objectives for his/ her current degree program at his/her home institution.

**Step One: Preliminary Steps in Preparing to Receive an Intern**

1. Department will contact OISS to inform them they are interested in an intern
2. Department will appoint WSU professor to be the primary supervisor for the Intern
3. The department will obtain all the necessary information regarding the recruitment of an Intern

**Step Two: Preparation of Documents to Submit DS-2019 Request to OISS**

1. The WSU professor will ascertain that the internship is a requirement towards a degree in the home institution and evidence will be obtained by reviewing the curriculum.
  - a) Obtain evidence from the foreign institution that the student is currently enrolled and pursuing a degree in the home institution (see attached letter)
  - b) Obtain proof that the internship is a requirement at their home institution
  - c) If the internship requires employment, the home institution will issue written authorization for employment at WSU (see attached letter)
2. WSU professor will conduct an interview with the candidate to evaluate the English language proficiency and conduct a personal (or telephone) interview of the Intern. In most cases, this interview must be conducted by the WSU professor. U.S. law requires a personal interview with the prospective Intern to discuss the internship and evaluate the Intern's background and knowledge.
  - a) This interview will normally be conducted by the WSU professor, and may be in person, by video or web camera, or by telephone. (An E-mail "interview" is not sufficient). WSU Host Professor will complete and sign the English Language Proficiency Form.
  - b) In some cases, this interview may be conducted by a representative of the intern's current academic institution. In this case, there must be a written contract or agreement between WSU and the intern's home institution. A copy of this written agreement must be attached to the Interview Report Form. The Interns' English language Instructor at his/her home institution or at an English Language School.
  - c) The Intern may send a copy of a TOEFL score meeting the requirement of the WSU Admissions Office.
3. The department will provide an invitation letter for the internship, if employment is involved an appropriate offer letter will be provided.
4. WSU professor will complete the DS-7002 Training/Internship Placement Plan Form Pages 1 and 2 of this form must be completed by the host professor, after discussing the internship plans with the prospective intern. After both pages are completed, the form must be signed by the host professor\* (in the line marked "Supervisor's Signature") and by the intern (on the line marked "Trainee/Intern Signature"). A fillable version of this form is available at: <https://j1visa.state.gov/ds-7002/>

**Specific Instructions:**

- Check "Intern" (not Trainee).
  - If the U.S. residential address and telephone are not yet known, give the department address and phone.
  - Since the internship will be conducted by WSU, for "Host Organization" write "Wayne State University, Department of \_\_\_\_\_."
  - On Pages 1 and 2, do not complete the sections marked "Sponsor's Signature" or "Program Sponsor Name."
  - Complete all other questions on Page 2 in detail. This is the statement of learning objectives and activities for the internship and is extremely important. If there is more than one "phase" to the internship, a separate Page 2 must be completed for each phase. If the same activity will last for the whole internship, start and end dates for the "phase" will be the start and end date of the internship.
5. Both Pages 1 and 2 should be completed and sent to the Intern BEFORE she/he signs. The form (without, and then with) the Intern's signature can be faxed or scanned, instead of mailed, to save time
  6. Department will complete Part A of the DS-2019 Request Form
  7. Department will obtain part b of the DS-2019 request from the intern along with copy of the passport, proof of financial documents and documents of dependents, if applicable
  8. Department will process an IRB for \$225.00
  9. Department will submit all of the above documents for the DS-2019 request to OISS:

**Step Three: Department Responsibility after DS-2019 is processed**

1. Department will pick-up from OISS the DS-2019 form and instructions to mail to the intern
2. The department is responsible to notify OISS of a delay in the arrival of the intern
3. Department will submit the midpoint and final internship evaluation forms to OISS

**ATTESTATION BY THE HOST DEPARTMENT / PROFESSOR / SUPERVISOR**

I understand that the J-1 exchange visitor category was developed to implement the Mutual Educational and Cultural Exchange Act (Fulbright-Hayes Act) of 1961. The purpose of that act, which is also the objective of the Exchange Visitor category, is to "increase mutual understanding between people of the U.S. and the people of other countries by means of educational and cultural exchanges." I attest that this prospective intern's visit is within the J-1 program objective, and that I am not utilizing the J-1 category for employment purposes.
